MODERNA BOOSTER DOSES
Entering Moderna Booster Half Doses in LINKS

1

Reconcile Inventory										
Vaccine	Lot Number	Exp Date	Quantity on Hand	Physical Inventory	Adjustment (+/-)	Category	Reason	Funding Source	Inactive	Add Row
COVID-19, mRNA, LNP-S, PF, 100 mcg/ 0.5 mL dose (Covid-19 0.5 Moderna))	ZYX321	10/31/2021	10		0.0	--No Category Required--	--No Reason Required--	PUB	☐	+

Click **Lot Numbers** in the side navigation menu, then click **Reconciliation** to view your inventory. In this facility's inventory, there are 10 (100 mcg) doses of Moderna in the inventory.
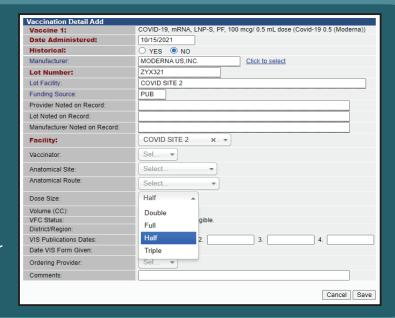

2

Patient			
Name:	TEST TEST	SIIS Patient ID:	13312217
Date of Birth:	03/10/1985	Age:	36 yrs
Guardian:		Organization Level Status:	Active

Search and select the patient to whom you will be administering a booster dose of the Moderna vaccine. *Please note: a booster dose of the Moderna vaccine is a half dose (50 mcg).*

3

- Click **Vaccinations** in the side navigation menu, then click **View/Add**. Your patient should display at the top.
- Enter the date in the COVID-19 vaccine field, then click **Add Administered**.
- Confirm the patient, then click **Continue**.
- Select your lot number, then select **Half** for your dose size.
- Click **Save**.
